STANDBY RESCUE PERSONNEL

Job Description

Trans-Care Rescue is currently recruiting individuals for confined space rescue, high angle rescue and medical standby coverage during industrial shutdowns at various sites throughout Saskatchewan. Ideal applicants may include shift workers, recent EMS or Fire Academy graduates.

Candidates must be:

- Fluent in English (verbal, reading and writing).
- In good physical health- jobs typically include long periods of standing, sitting, walking and stairs.
- Able to pass a pre-work drug and alcohol test when required.
- Must have access to a reliable means of transportation.
- Previous training and experience in confined space, high angle rescue and/or medical standby is an asset.
- Medical personnel will be required to be licensed as an EMR (minimum) up to a PCP.
- Must be minimum 18 years of age.

If required, training will be provided prior to job commencement; training to be completed at our facility in Langham, SK. All personnel are hired as subcontractors and will be responsible for their own transportation and accommodations.

Please submit your resume to sheila@trans-carerescue.com. Suitable candidates will be contacted for an interview and the required training.

For more information contact Sheila at (306) 283-4496.
